🏆 Official 2026 Awards & Distinctions

🔥

Chore MVPs: @Fisa (256 min, 2.77%) & @tivvit (216 min, 2.34%)

Tireless workhorses who stepped up for the heaviest and most demanding chores, keeping cabin operations running smoothly.

👤

Mr. Average 2026: @Liennie.sh (Martin T.) – 1.33%

Landed within a fraction of a percent of the 1.27% mean. Completed 123 minutes of chores and crowned the new champion of median equity!

👤

Stealth Master: @Darik – 0.05% (2 minutes)

A clinic in silent cabin survival: 2 minutes worked, 9 timeouts, 0 acks, and a clean ninja exit Tuesday morning at 9:00 AM. The legend endures!

👤

408 Request Timeout Champion: @Klára Vonšovská (53 timeouts) & @jask (2x Refuse)

Klára ignored 53 out of 57 bot assignments (93% timeout rate). Meanwhile, jask earned defiant distinction as the only attendee to actively press 'Refuse'.
